Excursion to the Canyon

- ▶ The canyon is situated on the Tian Shan's spurs near the border with China. Charyn Canyon is a natural monument built from sedimentary rocks, which age is about 12 million years, and stretches for 154 kilometers along the valley of Charyn river. The most interesting and frequently visited tourist destination is so-called "Valley of Castles". The grove of relict species of ash, survived during the era of glaciation, preserved in the bosom of the canyon and another suchgrove is only in North America. Landscape diversity of Charyn canyon leads to the variety of flora and fauna. Charyn canyon reminds Colorado Grand Canyon in North America and loses to it in terms of sizes but not in terms of beauty.
- ▶ Visit one of the most beautiful lakes, located in the surroundings of Almaty - **Kolsay Lake**. It is also called a blue necklace of Northern Tien Shan. And it is quite understandable – such beauty cannot be found anywhere! In the Kazakh language "Kolsay" means "a lake in the valley".
- ▶ Transfer to the hotel.
